STINA HUBINETTE BIO

Stina Hubinette is a native of Sweden and comes from a road racing background with several podium finishes. Growing up in Sweden her interest in driving came at an early age when she developed a passion a passion for go karts and learning how to drive in wet conditions and snowy roads.

After moving to America, the land of opportunities, she began Road and Time Attack Racing in order to establish herself as a stunt driver in Hollywood. She gained experience at the Bobby Ore Stunt School, Skip Barber, Russell Racing School and 360 Performance Driving Academy.

She has many years of professional driving experience and has appeared in many high profile car commercials. She has extensive experience working with the Russian Arm camera car. She also has a personal BMW M3 fitted with a built in handbrake for stunt training and drifting.
